SPARKLING WINE

PURE LELAND **FLIGHT CLUB ONLY**

Crisp and bright, with lime and grapefruit notes, this dry bubbly is made from 100% Pinot Gris grapes. It's as fun as Fishtown and enticing as the Lake, and the perfect addition to any special Leland moment.

Bottle **30** Glass **11**

WHITE WINE

PINOT GRIGIO

A beautifully easy to drink, dry white wine, our Pinot Grigio is both refreshing and slightly creamy. On the palate, you'll find the juiciness of a ripe pear with a twinkle of acidity.

Bottle **22** Glass **9**

DRY RIESLING

Mouth-watering and tantalizing, this dry white will surprise you with perfect acidity and aromas of white peach and lillies. You may think you know Riesling ... try this one. You might just find a new favorite.

Bottle **24** Glass **10**

UNOAKED CHARDONNAY

The world's most popular grape is Chardonnay. And we get why. Dune Bird's Chardonnay is an exceptional example of how our cool climate aids in producing this lean, mineral-forward style that we keep un-oaked for that "just right" crisp factor. Bright and refreshing: expect a clean finish with notes of big apple and light lemon.

Bottle **24** Glass **9**

LATE HARVEST RIESLING

This one is sweet and fresh...like a ripe, juicy peach. The Late Harvest Riesling is the culmination of grapes left on the vine for an extra month or more past peak ripeness. This delicate dance allows a slight dehydration of the grape and a concentration of the sugar content. Hello mouthwatering bouquet of goodness.

Bottle **22** Glass **9**

ROSÉ WINE

ROSÉ

Like that indescribable hue of a Leelanau sunset, this Rosé provokes carefree delight. We've heard it said that Rosé is more like a state of mind: pair this one with sunshine, laughter, boats and patios.

Bottle **24** Glass **10**

RED WINE

PINOT NOIR

Silky tannins and a long, smooth finish make this highly sought-after varietal one of the most noteworthy cool climate reds in Leelanau Peninsula. Catch notes of cranberry, spice and earth. We like to call it velvet in a glass.

Bottle **44** Glass **13**

PIE CHASER

The affectionate name given to Piper Tri-Pacer airplanes, this Pie Chaser is a smooth red blend as endearing as our little plane, Dune Lady. (Yep, she's a Tri-Pacer) Expect fruit forward and beautiful velvety tannins. Look for aromas of black cherries and oak. And for the ultimate pairing, try it with the classic Northern Michigan cherry pie.

Bottle **26** Glass **10**

AV8

A dry red that marries Cabernet Sauvignon and Syrah varietals. AV8 commemorates our love of the horizon and our passion to get above it. With an earthy nose + ethereal hints of raspberries and vanilla, it celebrates that meeting of earth and sky. A red with easy sophistication, AV8 is as elegant and dynamic as the sky is to us.

Bottle **36** Glass **13**
